

Final Design

2D drawings

The image displays two 2D technical drawings of a mechanical assembly. The left drawing is a front view, and the right drawing is a side view. Both views include numbered callouts (1-9) pointing to specific components. The front view shows a base with multiple support points (2), a central block with a grid of holes (6), and a tall vertical stack (3). The side view shows the profile of the assembly, including a curved transition (7) and a vertical dimension of 100.00. A horizontal dimension of 90.00 is also indicated. The drawings are labeled 'A' and 'B' on the left side, corresponding to the front and side views respectively.

Technical drawing showing a perspective view of a mechanical assembly on the left and a detailed view of a component labeled 'C' on the right. The assembly includes a base plate, a vertical support, and a rectangular component with a grid pattern. The detail view shows a cross-section of a component with a flange and a bolt. The text 'DETAIL C' and 'SCALE 1 : 2.5' is present below the detail view.
